

BUSINESS & EMPLOYMENT DEVELOPMENT UNIT

Ngaayintharri Gumawarni Ngurrangga
We all come together on this country.

Murujuga Aboriginal Corporation (MAC) invites all MAC members and eligible MAC relevant individuals to take advantage of a range of opportunities available through our Business & Employment Development Unit (BEDU).

We also encourage our industry partners and local businesses to work with us in supporting and facilitating business and employment opportunities for our members. Predominantly based in the Pilbara region, MAC members are located across Australia, and cover a broad range of skillsets and industries.

BEDU Support & Referral Services

One of MAC's strategic goals is to 'Deliver Value to our Members'. We aim to do this through the BEDU by providing a linking and referral service that will assist in creating meaningful employment pathways and fostering business opportunities.

Business Set Up & Establishment

In connection with the existing services our BEDU will help facilitate:

- Review business ideas, including their viability and potential
- Funding opportunities
- Establish trading structures and entities, including legal, finance, tax and regulatory frameworks
- Create and assist with support networks

Business Management, including Financial Management & Governance

- Link to services to develop business plans and financial modelling
- Link to services to prepare budgets and understand basic financial management principles

Training and Education

- Link to training companies to develop frameworks
- Link business with like businesses for mentoring
- Facilitate training and education workshops

Business Development

- Act as a sounding board to determine areas/opportunities to focus on
- Link to tender opportunities and processes
- Tender production support
- Pursue planning and implementation
- Link to sales and marketing services

Occupational Health & Safety, Environmental & Quality Management

- Link to services to provide extensive pre-qualification requirements
- Assist with finding training for risk assessment and due diligence

Employment

- Inform MAC members of employment opportunities through the BEDU newsletter, social media and community engagement
- Maintain an up to date MAC Relevant Employment Register in collaboration with external stakeholders
- Provide an online portal of employment information for MAC members
- Source employment and training opportunities
- Link to services to assist with resume writing and work readiness programs
- Link to training and development workshops.

MAC has members from five traditional Aboriginal language groups from the Pilbara region of Western Australia: Ngarluma, Yaburara, Mardudhunera, Yindjibarndi, and Wong-Goo-Tt-Oo. MAC 'relevant members' refers to members from the 5 language groups listed above, including those under the age of 18 years. We welcome new members.
